

# Murray Calloway County Republican Party Commitment Form *It's Time!*

It doesn't take long to figure out that Western Kentuckians are afraid our current national leaders are going to bankrupt our country economically, spiritually, emotionally and politically. We hear it every day! Kentuckians wonder "where *has* common sense gone." Even non-GOP voters are shaking their heads in disgust as they realize this isn't the "change" they voted for. What can we do?

The answer is simple! Join the GOP of Murray/Calloway County. We're a group whose philosophy embraces pure concepts of life, liberty and the pursuit of happiness and a simple belief that we cannot allow government to take away the rights of people in the name of protection and forced diversity. We desire common sense when it comes to the lives of Calloway-Countians and hold fast to the conservative values adopted by the State and National GOP Parties. It's time we transform Western Kentucky's conservative-thinking-voters into a party that matches their beliefs, like:

|  |  |
|--|--|
| • Upholding the Constitutional Right to Keep and Bear Arms | • Preserving Traditional Marriage        |
| • Ensuring Equal Treatment for All                         | • Safeguarding Religious Liberties       |
| • Protecting Our National Symbols                          | • Preserving Americans' Property Rights  |
| • Sustaining Freedom of Speech and of the Press            | • Supporting Native American Communities |
| • Maintaining The Sanctity and Dignity of Human Life       |  |

As a way to build our local party and create an agenda for excellence, we need to: identify and recruit leaders, promote and advertise, plan for some permanency in a location and campaign to encourage people to change their party registration. We are asking you to join this campaign, "It's Time" so we can reignite the true spirit of Western Kentucky voters into an improved Kentucky for our children and those generations to come.
